Dear Member

**NEW AUDITORS REPORT WEB PAGE**

As part of our awareness series for developing better understanding of the new auditor report under the revised ISA 700 we are launching a Question and Answer (Q&A) service through ICAP's website along with a database of Key Audit Matters (KAM).

The Q&A service will facilitate everyone in answering queries related to the ISA 700 requirements and the new auditor report. Further, KAM from listed companies' annual reports from other jurisdictions where a similar model has already been adopted under the heads of banks, insurance and others have been compiled topic wise to provide guidance.

We hope this service is of benefit to you, please visit the page looking forward to your feedback.

Thanking you

Yours truly

Saira Shamsie
